Program Details

K - 3RD GRADE BOYS & GIRLS:

We will have an 7 week skills and drills class taught by Waterloo High School Varsity head coach John Weiss and the Waterloo High School Varsity basketball team. These classes will be Saturday mornings from 8:00-9:00 for K-1st graders, and 9:00-10:00 for 2nd-3rd graders. The practices start on Saturday December 13th and run through January 31st skipping 12/27. We will attempt to schedule a home and home GAME against Marshall (like we did the last couple of years) for the 2nd/3rd grade group.

FEE INCLUDES: 7 week program and practice t-shirt & possibly two games

4TH THROUGH 8TH GRADE BOYS:

Back for its 3rd year, you will participate in the ESYBL basketball league. This is similar to the structure of our baseball and football leagues. Waterloo teams will participate in the league with Cambridge, Columbus, Deerfield, Fall River, Jefferson, Johnson Creek, Marshall, Palmyra and Lake Mills. Game days will be Saturdays from Dec 12th – Feb 6th and will include 3 games in one day on most game days. There will also be a two games guaranteed end of the year tourney with all cities involved. Practices will start the week immediately following registration. FEE INCLUDES: at least 13 games, referees, league dues, and WYSO owned uniform (to be turned back in) – tournaments fees may be extra if coaches are able to accommodate.

4TH THROUGH 8TH GRADE GIRLS:

Sign-ups for this program have already been completed. The girl's season runs from the last week of October through the first week of December. Please contact Steve Battenberg at 920-927-1897 if you would still like to be involved. Also girls in this age group will be encouraged to continue learning valuable skills and get practice time through our Junior Pirates program run by Coach Bob Renforth of the Waterloo Varsity team. This Jr. Pirates program will be on Saturday mornings at 9:00am starting on December 12th.

THERE IS NO FEE FOR THE JR PIRATE PROGRAM – you can just show up.
